

'Champ' Pipers Beat Trent 6-3

Locals Bunch Hits In Eighth to Cop Schoolboy Title

Rowland Gives Up 3 Hits In Contest

Hamlin High School Pipers fought their way to the top rung of the ladder Friday afternoon at Merkel, defeating the Trent Tigers 6 to 3 to cop the first championship ever awarded in District 13-A baseball league.

The Howard men earned the district gonfalon the hard way, coming from behind in the eighth inning to win. Trailing 3 to 1, the locals had one out and one on when Trent decided to walk Clifton Townsend and Rowland to get at Putman, considered a weak hitter, and force a double play. Putman slammed out a two-bagger that cleared the bases to put the Pipers out front 4-3. Hill got on and then May tapped out a single to score them and put the game on ice.

The triumphant Pipers are expecting to receive a beautiful trophy soon and it will be put on display in some downtown store, Coach Howard said. Friday's game completed the season schedule for the schoolboy nine.

Box score follows:

In addition to the men listed in the Hamlin box score, Latham and Parks also played for several weeks.

McMurtry Graduate To Assist Howard

Joe King, McMurtry College athlete, and a recent graduate of the bilene school, has been named as assistant to Head Coach L. B. (Red) Howard and will assume his duties at the beginning of football practice on September 1, according to Howard. The new coach will teach social science classes at the Hamlin High School. Coach Howard said this week that he was sure at least four lettermen could return this fall and was hopeful and full contingent of six would be back in moleskins. He anticipates a squad of about 40 boys.

Jessie Myers Returns to Home State To Help Lions in "Showing Off" Texas

Two native Californians will be returning home to help display the spectacular pageantry of the West when Hardin-Simmons University's widely acclaimed Cowboy band accompanies the Texas delegation to the Lions International convention in San Francisco on July 28 through 31. Astride two of the university's famous six white horses will be Jessie Myers of Hamlin and June Brunk of Plainview, both formerly of San Bernardino.

The Texas coeds will ride the horses with the band in convention parades and program appearances. Miss Brunk, who began her riding career at the age of five, will also be featured with John Regan, internationally whip and rope artist, in a whip-tap routine which they originated.

Miss Myers, cowgirl champion of Hardin-Simmons' intercollegiate rodeo last spring, was born in San Bernardino. Later she moved with her parents of a Texas ranch where she became a skilled rider. Rodeo prizes won by Miss Myers since she began participation in the contests range from a belt buckle set to a \$1,000 in cash. She still remembers with pride her first prize—a saddle and horse trailer. Besides riding an attending rodeos Miss Myers also teaches a riding class and is active in swimming, golf and badminton. Hamlin folks are proud of her ability.

June, daughter of Mr. and Mrs. Glen D. Brunk, was born in San Bernardino March 21, 1927. Both girls are enthusiastic about the trip to their native California, especially the prospect of viewing familiar scenes from atop the renowned mounts of the Texas school.

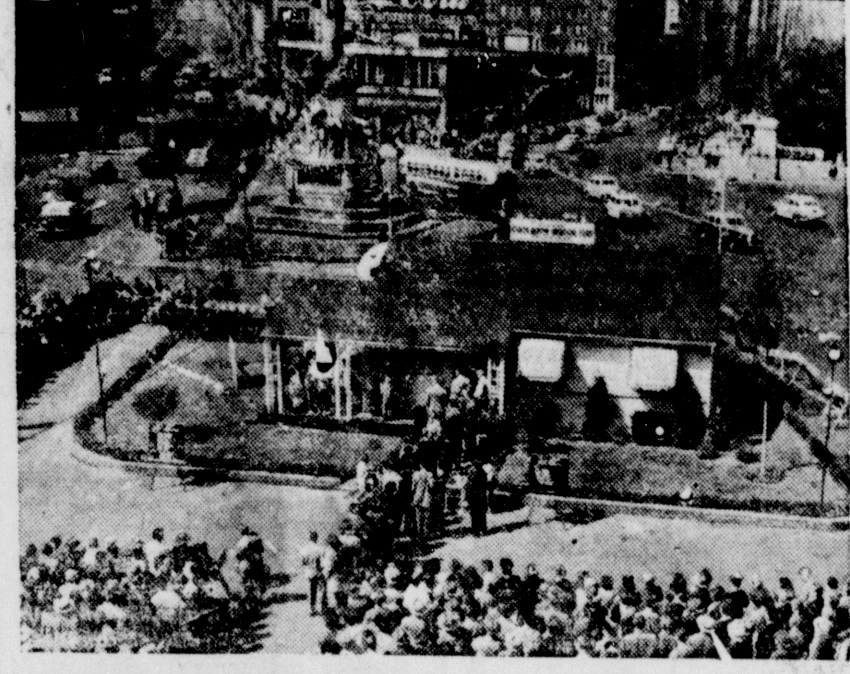

Because it is a matter of utmost importance to this entire community, The Herald this week only, is breaking an established rule and running an advertisement on Page 1. It concerns Hamlin Memorial Hospital and we urge you to read it. Only because of its community-wide nature, have we consented to do this.

Two Days Remain Before Old Rate On Herald Expires

Only two days, Friday and Saturday, remain in which new and renewal subscriptions at the old rate will be taken for the Hamlin Herald, publishers said today. The \$1.50 rate will expire Saturday night and the office will remain open until 9 o'clock Saturday night to accommodate people who come to town during the evening. For the convenience of subscribers living at a distance mail subscriptions at the old \$2.00 rate will be accepted for a few more days, but the offer absolutely expires Saturday night for folks living in Jones, Fisher, Stone wall and Haskell Counties.

The Herald force has been swamped this past week with people taking advantage of the savings offered. Don't be disappointed—come in Friday and Saturday.

Gummed stickers will be placed on papers of delinquent subscribers this week. Due to so many people coming in the past week, some readers may find a sticker on their paper even if they have renewed. If there is a sticker on your paper—better renew—delinquent subscribers will be dropped during the next month and the mailing list brought up to date to comply with postal regulations.

This Celotex Pre-Engineered House, completely furnished and equipped, will be awarded the winner of a slogan contest conducted by the Damon Runyon Memorial Fund for Cancer Research. The house, presented to the Cancer Fund by Bror Dahlberg on behalf of The Celotex Corporation, stands in New York's Columbus Circle, but will be shipped to any point in the 48 states designated by the winner. Serving now as Cancer Fund Headquarters, the house has been visited by over 50,000 contributors to the fund. Crowds are expected to visit the site daily by celebrities of stage.

New Chevrolet Agency to Open Here Next Week

After a period of many months, a Chevrolet distributor will open an agency in Hamlin. It was reported this week. The new business will be opened Monday, it was said.

Carl T. Murrell, formerly of Sweetwater, but for some time sales manager for Johnson Bros. Chevrolet Co. of Dallas, is the new owner and will arrive here during the weekend. He has leased the large building just east of Irwin Motor Co. from Tom Teague.

Murrell was first here several months ago, but had considerable trouble securing a suitable place. He has a family and wants a suitable place for them to live.

Rev. Paul Joyner Resigns to Accept Stamford Church

Rev. Paul Joyner, pastor of the Assembly of God Church of Hamlin, has resigned to accept the pastorate of a new church organized sometime ago in Stamford, he revealed this week. His resignation was presented to the local church last week. Joyner has been here nearly two years and expressed sincere regrets at his leaving, but said he felt he should pastor the new church.

He will preach his farewell sermon here Sunday morning at 11:00 a. m. and at noon the congregation and their friends will gather at the Hamlin City Park where a basket dinner will be served. Everyone is invited to attend and bring well-filled baskets.

Sunday night the evening service will be dismissed and local members will go to Celotex to attend the opening service of a two-week revival. Joyner's successor has not been named as yet.

Burleson In Group With Whom Truman Discusses Nation's Foreign Policy

Softball Teams Continue Fight, Oilers On Top

Hamlin softball fans are witnessing some mighty good games at City Park now as five loop members settle down for the last month of play in the Hamlin softball League. Teams are in the same position as they have been the past few weeks with General Crude's Oilers winning two more games this week to climb a few more points higher.

Wednesday night the Hamlin All-Stars were defeated in their first game at the Stamford ASA tourney by the tournament favorite, Gorman, 5 to 1.

Official standings follow:

| Team | W | L | Pct. |
|---------------|----|----|------|
| General Crude | 21 | 3 | .875 |
| Wise Chapel | 18 | 7 | .720 |
| VFW | 15 | 11 | .575 |
| Sylvester | 12 | 12 | .500 |
| Celotex | 9 | 15 | .375 |

Games scheduled for next week Friday—Junior Boys and Celotex vs. Sylvester.

Monday—Wise Chapel Girls vs. Hamlin Girls and VFW vs. Celotex.

Tuesday—Junior Boys and Sylvester vs. Wise Chapel.

Thursday—Celotex Girls vs. Neinda Girls and General Crude vs. VFW.

The Herald was unable to learn for sure, but the usual Saturday night game featuring the All-Stars will probably be played.

In Lonview.

Mr. and Mrs. Burgess Steele and son, Gene are visiting their daughter, Mrs. J. B. Martin, at Longview and her sister, Mrs. S. G. Carrouth at Port Arthur. Mrs. Carrouth and Sarah Steele will return home with them for a visit.

Representative Omar Burleson of Anson and Jones County, this district's young representative in Congress, was one of a 12 freshmen Congressmen who spent sometime with the President last week before Congress adjourned, conversing about the state of the nation.

The trip was arranged largely by Congressman Evans of Tennessee, and the appointment with the President Truman was made by Representative Sam Rayburn, Democratic leader.

Burleson, however, was quick to point out that this was no clique or organization. Neither was it, as some said, arranged to give those who have not had an opportunity to meet the President and also a chance to talk to him. Burleson has been to the White House three times and has met the President on six occasions since he has been to Washington.

The President discussed mostly the United States has shown in foreign state of affairs. He told how willingness to cooperate on world affairs but has not met the same cooperation. He said this country had held consistently to one foreign policy, that the United States had a very definite foreign policy and had not changed from it despite some changes that there had been inconsistencies. He said he had rather the doctrines or plans of this country not be called the Truman doctrines or the Marshall plan, but rather that they all be considered as part of United States own foreign policy.

He told Burleson and the other Congressmen that he hoped military training became the demand that he believed had this nation had some form of military training had some form of military training for its youth, such preparation would have prevented World War II.

Maize Crop Hurt Badly by Drouth, One Car Shipped

Hot, dry weather continues to get in some hard licks at the area's combine maize crop, observers reported this week. Present indications are that with the exception of Plainview and Tuxedo communities and some other parts of the country between Hamlin and those places, the maize crop will be a failure. Many say that even the early maize will not produce as was first expected.

One car was reported shipped from here Monday.

Late maize will probably be good only for bundle feed, several farmers say, but it is thought a good rain might help even now in some localities. One farmer told The Herald that his maize "had quit suffering — it's dead."

Cotton is late but is looking good over most of the area, but it needs a good rain. Cotton ginners are expecting very little if any cotton to be ginned during August.

Joyner to Conduct Revival at Celotex

A series of revival services will open at the Community Hall Sunday evening with Rev. Paul Joyner, who has just resigned as pastor of the Hamlin Assembly of God Church scheduled to do the preaching. The meeting will probably last two weeks. Services will start each evening at 8:15 p. m. and members of that community and the public in general are urged to attend.

Neinda Baptist Revival August 8

A revival meeting will begin at the Neinda Baptist Church Friday night, August 8, it has been announced. The pastor, Rev. Arvis Handerson, will do the preaching. The public is extended a cordial invitation to every service.

Hospital News

The Hamlin Memorial Hospital building is about completed except the inside trim, doors and ceiling. This material is expected on hand any day now.

New names to be listed as \$50 membership contributors are: Pastor of Nazarene Church, John V. Howard Sr., John Howard Jr., H. E. Redus, Lott Shell, J. H. Rivers and J. P. Maberry. Up to this time no one has made an outright gift or donation to the hospital except their \$50 contribution. Only one person, J. L. Blanton, has contributed any way or labor. (Mr. Blanton used his machinery to clear the hospital block and move some dirt. Thank you, Mr. Blanton).

13 Rooms To Be Furnished

It is hoped that enough interest by clubs, churches and other organizations of Hamlin will be shown for each of them to furnish a room complete in the hospital and get suitable recognition. (Rooms will not cost more than \$350).

The first positive application to get a room to furnish comes from J. B. Terrell and wife. Private room No. 1 is reserved for them to furnish. Applications to furnish rooms will be taken in the order they are positively received. Several individuals have indicated that they would like to furnish a room. If there are not enough rooms to meet the demand, later, very likely more will be built and there will remain a future chance.

No better place of service can anyone place a few hundred dollars as a gift. This is a community memorial and it is a great opportunity for anybody to express his interest this way.

This is a Hamlin territory welfare and no private cash gain will be expected by those who make donations or gifts and make this hospital possible. Surely it is worth \$50 to any family or person. Anything will be appreciated by those who are sponsoring this hospital enterprise for all of the people of this area.

W. F. Johnson Home Destroyed In Wednesday Fire

Home of Mr. and Mrs. W. F. Johnson in the north part of town was almost totally destroyed by fire about 9 o'clock Wednesday morning. Roof of the large frame dwelling was destroyed and most of the ceiling. Smoke and water damage was also very heavy.

The entire roof was ablaze before a fire alarm was turned in and volunteer firemen worked hard to save walls of the structure. Most of the content of the house were removed.

It was reported after the fire that water pressure fell to practically zero at one time while water use was at the peak, but this was said to have been caused when a hose was uncoupled at one point. City officials investigated the situation and asserted the pressure did not drop, and that plenty of water remained in the fire-fighting reserve after the flames had been extinguished. However, they again issued a warning about the water situation and asked people to conserve water as far as watering lawns and gardens is concerned.

Mr. and Mrs. H. A. Johnson are on a vacation trip to the Ozarks.

Hamlin Baptists Journey to Copenhagen on Largest Ship Afloat—A City of 3,600 Population

(Editor's Note—Here is the first in a series of articles written exclusively for The Herald by Mrs. John Osteen, describing activities of her and her husband, pastor of the First Baptist Church, and Mrs. J. W. Ezell on their trip to Copenhagen, Denmark and tour of Europe. Next letter will come from London, England. Anyone caring to write should place 15 cents in air mail stamps and address as follows—regardless of location they will receive it within a week.—Rev. and Mrs. John H. Osteen, (Tour No. BR.), care of Thomas Cook and Sons, Ltd., Berkeley Street, Piccadilly, London, W1, England.)

Aboard R. M. S. Queen Elizabeth, July 21, 1947

Now, I fully understand why John insisted that I write these articles—there is so much to see and do that one doesn't want to sit down and write. John says "now, Jean you sit down and write that article while I go up on deck and take pictures, have tea and go swimming." Well, it isn't quite that bad. We really do enjoy telling others what a wonderful time we are having.

Our trip in the car to New York was very enjoyable. We visited in Washington, D. C. over the weekend and saw many interesting places—the capital, Lincoln Memorial, the Washington Monument, where we got some nice movie shots of that city, and the White House, which was closed for the week-end, but we took some pictures of the fountain, rose garden and grounds. John and I stayed in the home of some Arabian friends, which was a treat in it

self, especially the Syrian food. One delicacy was rice and lamb rolled into grape leaves. Mrs. Ezell stayed in the home of her nephew, Parker May, who lives in McLean, Virginia, just out of Washington. John was asked to preach for their Sunday morning service and we enjoyed being with other Texans, even that close to home.

Tuesday morning, we arrived in New York and went immediately to the office of Thomas Cook and Son, which is handling our tour, and secured our tickets. That office was the most interesting place we found in New York. We were really delighted to see some faces we had seen before—P. D. O'Brien from Sweetwater, Dr. James Landis from Wichita Falls, and others. Then, there was a friendly Chinese girl called Moon Bean Tonz, a well-known speaker in religious circles in the United States and an important figure in the Baptist Union in China. There was a Hindu gentleman, with a cane in his hand and a beautiful white and gold turban on his head. Then, there were two ladies from Nova Scotia trying to straighten out their passports, three negro ministers buying travelers insurance, a Scottish family all agog at the wonders of the New World, and an English man with rough tweeds and an amusing accent.

The night before we sailed, our thoughts, for some peculiar reason, seemed to keep turning to folks at home, so Mrs. Ezell talked to folks in Texas and Washington and we called Jackie and the folks in Arkansas. Then we felt that we were ready to sail on the morrow.

Queen Elizabeth, saw that our baggage was taken to our cabins and then went on deck to watch our ship leave the shore. Around us were crowds of people of all nationalities speaking many languages. Beside us was a young man—Danish Jew—who had just concluded an eight-week tour of the United States. He remarked that we were leaving a rich country with plenty of food and clothing, but the countries we would visit could not offer so much. In some countries they are still rationed to one egg a month per person.

After five days at sea, we still can not comprehend the enormous proportions of this—the world's largest liner. On this voyage there are 2,400 passengers and 1,200 crew members. It is the length of about five blocks in Hamlin and there is every convenience imaginable. Right here I want to mention that we beamed the fact that we had no one on the pier to wave goodbye to us as we left, but when we got to our cabins we found a huge box of cut flowers and a basket of luscious fruit—thoughtful gifts from friends in Hamlin.

There are many important personalities aboard, many famous denominational leaders, such as Dr. Louie Newton and Dr. M. E. Dodd and those from the entertainment world such as David Nevin and Ann Neagle.

Because of a huge iceberg, our course has been changed 200 miles, so we will be delayed a few hours. Our ship docks July 22, 4:00 o'clock p. m. (London time) at Southampton, so we'll soon be seeing land. We'll tell you more when we get to London.

Cattle, Sheep and Cotton Have Losses, Dull Demand for Some Farm Products

Cattle, sheep and cotton netted sharp losses last week, and some of the southwest found rather dull demand, according to the latest report sent The Herald by the Production and Marketing Administration, United States Department of Agriculture.

Large world requirements strengthened wheat last week, while cool weather unfavorable for corn tended to offset July estimates of increases.

CITATION BY PUBLICATION

The State of Texas. To Bessie Bradley, et al, all the unknown heirs, assigns and or legal Representatives of Bessie Bradley, Deceased and unknown owners of the property hereinafter described.—Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10:00 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this citation, the same being Monday the 25th day of August, A. How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance "for the time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

ed production. Wheat netted a very slight advance, and white corn gained a cent or two. Oats held firm, influenced by scarcity of good grain from the new crop. Ginnings from the current harvest of barley and of grain sorghums held prices relatively unchanged.

Practically all feeds advanced \$2 to \$10 per ton, and good quality hay held up fairly well.

Late week cotton losses liquidated early gains, and spot prices closed mostly at \$1 to \$7 lower. Current ginnings in South Texas sold freely in good demand. Quality held up well at mostly strict middling grade.

Good quality candied eggs held at fairly firm last week, but the lower grades and current receipts met dull demand, and some markets quoted lower prices. Fryers and broilers continue in good demand. Liberal supplies of hens moved slowly, and some went into storage. Prices dropped at Denver early and at Dallas later in the week.

After showing strength on some classes early last week, cattle eased later to close mostly steady to 50 cents or more lower on most classes. Common to medium steers and yearlings sold from \$14 to \$20 at Houston; while medium kinds brought \$18 to \$23 at Fort Worth, and medium to good light lots \$21 to \$25 at Wichita. San Antonio bought medium grass steers at \$19 to \$23, and Oklahoma City paid \$17 to \$23 for common to medium grades. Denver took common to medium steers 50 cents to \$2 per hundred pounds at \$16 to \$19.

Hogs scored general advances of most southwest markets. Good and choice weight butcher hogs reached \$26.25 at San Antonio; \$27 at Fort Worth. Sows ranged from \$20 to \$23. Worth; \$27.75 at Oklahoma City; \$27.50 at Wichita; and \$29.25 at Denver. Pigs from \$23 to \$27 or more.

Southwest sheep and lambs closed last week barely steady to \$1 or more lower, except at Denver where late declines largely erased early-week gains. Medium and good spring lambs sold for \$17.50 to \$21.25 at San Antonio, and \$19 to \$21 at Fort Worth. Good and choice kinds brought around \$23 at Wichita and \$26 at Denver.

Elkins Family Have Reunion Here Sunday

W. C. Elkins family enjoyed a reunion Sunday with all the children at home except Guy Elkins, who is a patient at the Veteran's Hospital in McKinney.

Dinner was served at noon to Mr. and Mrs. W. C. Elkins; Mr. and Mrs. Bill Hambrick, Billy, Wigham and Kate, of Orange; Mrs. Pete Holitzke and Micah of Denton; Mr. and Mrs. Raymond Elkins and Cal and Phillips of Klamoth Falls, Oregon; Mr. and Mrs. Gene Dean and son, Gene Jr. of Sweetwater; Mrs. Ray Canssax of Abilene, and Miss Marjorie Steed.

Large Reunion Held at Cisco Park Sunday

"Old Timers" in and around Cisco were unduly alarmed last Sunday when a group of about 80 people "swarmed" down upon their park for a reunion. They said nothing like it had happened to Cisco since the big cyclone years ago. But the group was harmless—just there for a day of fun.

Those attending the reunion were: Mr. and Mrs. W. P. Westmoreland and son, A. V., Mr. and Mrs. J. P. Westmoreland and sons, Bobby, Gene and Teddy, all of Nelinda; Mr. and Mrs. Roy Brown and son, James, and Mrs. Richard Dutton and daughter, Janie, all of Hamlin; Mr. and Mrs. D. F. Andrus, Mr. and Mrs. J. H. Andrus and children, Edward, Lois and Jois, of Anson; Roy Andrus and daughter, Jana of Sweetwater, Dr. and Mrs. Allen Andrus of Dallas, Mr. and Mrs. J. M. Westmoreland and grandson, Bobby Standridge, Mr. and Mrs. Charles Stacey Jr. and son, Vicky Don, Mr. and Mrs. Aubrey Westmoreland and daughters, Gracie Sue, Jeaney and Rebecca, Mr. and Mrs. Dick Gowan, Mr. and Mrs. Floyd Gowan, Mr. and Mrs. Gene Pullin and son, Larry, Mr. and Mrs. Alton Shipman, and Joyce, Mr. and Mrs. Orville Bawend and sons, Gaylord and Rayford, Mr. and Mrs. Lewis Andrus, Mr. and Mrs. G. H. Parker, all of Gorman; Mr. and Mrs. Cecil Thompson and son, Richard Delbert of Levelland; Mr. and Mrs. Parks Cates and Mr. and Mrs. B. H. Cates of Breckenridge; Mr. and Mrs. Gullidge of Eastland; Donna Lois Russell of Oklahoma City; Mr. and Mrs. Ballew and son, James, Mr. and Mrs. J. A. Law, Alma Rae Law, Mrs. John Drake, Bobby Ray Russell, Mrs. J. J. Bowman, all of Anson.

Mr. and Mrs. P. C. Gilmore, Mrs. Gae Gilmore and daughters, Sharon Dawn and Karen Rose of Baird; Barbara Joy Gilmore of Snyder and Bentley and Mackel Standridge of Lometa.

A wonderful day was enjoyed with many swimming in the nice pool, some roller skating and the "old folks" just sitting around talking, laughing and reminiscing about the "good ole days."

A delicious picnic lunch was served with plenty of food left. Several close relatives could not be present because of various reasons.

"There were some faces missing who will not be with us again until we have that great reunion in Heaven. There is always a note of sadness mingled with the joys of life."

"There were those present who served in our armed forces, some who served long hard months overseas, one who will carry the scars of battle all the rest of his life. They served, they fought! That all Americans might hold family reunions and enjoy our American way of life."

Bunyan Payne, ACM U. S. Navy and Mrs. Payne are here visiting their parents, Mr. and Mrs. G. I. Sipe and Mr. and Mrs. B. C. Payne. He is being sent to Oceana, Virginia, where he will be stationed.

We have heard many excuses for not answering letters promptly but a friend in Fort Worth gives the best one yet, "After paying our income tax, we are just now getting able to include stamps in our budget, therefore I shall drop a line to you."

Tip your hat to Coach L. B. (Red) Howard and his Pled Pipers for winning the District 13-A championship last Friday at Merkel by defeating Trent 6 to 3. A mighty fine job, we would say.

If you haven't paid a visit to Ham-

lin's Memorial Hospital recently, you should take time out to look it over. Rapid progress is being made and you will feel proud if you have had a part in financing such a splendid building for suffering humanity in memory of those who died on the battle fields.

Farmers seem to be well pleased with the good prospects for grain and cotton crops. It seems to be the general opinion that a nice rain would be beneficial at this time. We might try one of those dances that the Arizona Indians enact when they desire rain. They are accusing the white folks of getting their rain clouds anyhow. The whites have taken almost everything else the Indian possessed but we are inclined to believe they are falsely accusing us now. Not that we wouldn't try it if we had any faith in such ceremonies.

We hear that we insulted Tom Routh with the item in our paper

stating that he and Mrs. Routh and Dorothy Fern had gone to Georgia, their home state, for a visit. He flatly denies that he ever lived in Georgia and can boast that he has never lived outside of Jones County. He is a true Texan alright—you can quickly be convinced of that fact from the tone of his bragging.

Advertisers, have we ever told you just how much we appreciate your cooperation in getting your ad copy into our office early in the week? No one outside the newspaper circle can understand just how important this is to the entire staff. If the ads are ready early it means long hard hours of work on Thursday nights can be avoided. Hamlin merchants are especially thoughtful in this matter, and we do want to say, "Thank you."

If you hold your nose tightly, the Hamlin water doesn't taste so "musky". Try it.

About the busiest people in Ham-

lin for the past week have been the W. L. Boyds Sr. who have been keeping their three active grandsons, while the W. L. Boyds Jr. are on their vacation.

My husband says one advantage of having a wife that works downtown is that you don't have to kiss her goodbye twice daily.

President Truman showed the greatest respect to his mother by asking that no pictures be taken at the funeral service or burial. He knew that would have been her wish since she disliked "fuss and feathers."

All America sympathizes with the President in his great loss, but somehow our compassion is more deep for his sister, Mary Jane, who has so tenderly cared for her mother all these years.

Do you enjoy your work? If you don't take no pride in what ever you do, whether it is mowing a lawn,

making a dress, washing a car, or any profession, then you are in a rut and should strive to get out. It is very easy to ease down into a rut but awfully hard to struggle out, and the longer you remain there, the deeper you will sink. It makes little difference what type of work you do as long as you enjoy it and do it in the best manner that you are capable of doing. That reminds me of the story of the brick masons, when asked what they were doing, the first one replied, "I am laying brick" the second one said, "I am making \$9 a day", but the third spoke enthusiastically, "I am building a Cathedral." Any job can take on significance if it is yours by choice and not just a means of making a living.

Farmers Urged To Eye Future in Conservative Way

Some of the experts are advising farmers of Jones, Fisher, Kent and nearby counties to regard the immediate future very conservatively.

Position a farmer can take, they declare, is to assume this period of good crops, advancing prices and large profits is about at an end; that a recession is coming and make adjustments accordingly.

Dean William I. Myers and Professor Frank A. Pearson of the College of Agriculture at Cornell University, Ithaca, New York, recommend that farmers begin to "tighten up" their belts now to avoid greater disappointments later.

Although a farmer in Jones or Fisher County can't shut up shop and throw himself out of work, Dean Myers and Professor Pearson suggest that certain things can be done to prevent a large drop in income.

"Each farmer of Jones County, for instance, should maintain production while increasing his efficiency and reducing cash costs. This calls for more potatoes per acre, more milk per cow, more eggs per hen and more farm products with less labor."

"When farm prices decline, labor becomes more important as a farm cost. This is a poor time to depend on inefficient hired labor."

"Farmers would do well to leave poorer marginal land in hay or pasture or leave it idle and reduce the production of low paying crops."

"Fertilizers should be used freely as long as they are cheap in terms of farm products—as is now the case. If prices fall too much relative to fertilizer and farm labor, farmers may have to mine the soil for a year or two," the experts conclude.

Wears a Fellow Out, Too.

The great trouble with the school of experience is that the course is so long that the graduates are too old to go to work.—Henry Ford.

News Briefs from Haskell County

Two fires in Haskell caused heavy damage, Holden Funeral Home being badly damaged Monday and a service station and repair shop on Tuesday. . . . Recent business changes in Haskell have included the combining of two furniture stores and of two jewelry stores. . . . A special election will be held in Haskell County precincts one, two and four to determine if the taxpayers favor a special levy of not to exceed 15 cents for road maintenance purposes. . . . Stegemoller Drug Store in Sager-ton was burglarized one night last week, but only a small amount of loot was taken. . . . Catalog for the

Central West Texas Fair is now being printed. . . . Melvin Andress, small Haskell child, suffered a broken leg when hit by a truck driven by his father. . . . Repairs to mains caused a brief interruption in water service for parts of Haskell Friday.

The farmer whose pig was killed by an automobile was cussing and raving wildly.

"Don't worry," said the motorist, trying to pacify the be-raved owner, "I'll replace your pig."

"You can't," shouted the farmer, "you ain't fat enough."

Exciting ways to use mayonnaise

by Carol Drake

Work magic for salads with that crystal ball on the kitchen shelf, the jar of mayonnaise. FOR ROQUEFORT MAYONNAISE, blend equal parts roquefort or blue cheese spread, mayonnaise and top milk. Serve with pineapple-banana-orange salad; perch sprig of mint atop.

...MAYONNAISE BEATEN WITH EQUAL AMOUNTS OF THICK CRANBERRY SAUCE AND WHIPPED CREAM is pink and enticing as lemonade at the circus. Team up with citrus salad.

...GUACAMOLE, OR AVOCADONAISE. Mash avocado, season with lemon and onion juices; mix with mayonnaise. Serve with fruit or vegetable salad; add bacon bits if it's going in a sandwich; thin out for dunking potato chips or seafood by increasing mayonnaise.

...MAKE A KING OF CABBAGE SLAW. Mix mayonnaise with twice as much buttermilk; season with lemon juice, salt, pepper and paprika. Add cabbage, chopped unpeeled apple and peanuts. Slick Trick: Grate cabbage and mix with dressing in large wooden bowl; serve in same.

...THOUSAND ISLAND DRESSING goes well with the honeymoon salad, "Lettuce alone." To 1 cup mayonnaise add 2 tablespoons each green pepper, pimiento and chili sauce; 1 teaspoon each onion juice, Worcestershire sauce and catsup, and 1 chopped hard-cooked egg.

...TARTAR SAUCE flatters fish flavor. A sharp one has chopped green olives, parsley, sour pickles and onion or lemon juice with the mayonnaise.

...HORSE RADISH MAYONNAISE—now only enough to taste the radish!—with chopped pickled beets is a good garnish for cold lamb or ham, and cheese on rye.

P. S. TO WATER PLANTS WHEN AWAY FROM HOME, extend a wick, heavy yarn, or a strip of cheesecloth from deep within a water-filled mayonnaise jar to the plant. Unravel one end of wick and spread in pot just beneath top soil. Enough water will seep through wick to keep plant moist for 2 or 3 weeks.

On Tuesday evening Miss Louise Daniel, bride-elect of Roy "Buddy" Page, was honored at a tea in the home of Mrs. J. W. McCrary with the following hostesses, Mmes. M. T. York, O. D. Rowland, Albert Chandler and Miss Eleanor Temple.

Garden flowers were used to decorate the reception rooms. Mrs. McCrary greeted guests at the door, presenting them to Mrs. A. G. Daniel, mother of the bride-elect, who presented here daughter. Others receiving were Mrs. George W. Page and Mrs. Orville Brunsch, of Abilene, mother and sister of the groom-to-be.

Mrs. Albert Chandler directed the guests into the dining room. Miss Eleanor Temple ladled punch, assist-

ed by Mrs. M. T. York. The tea table was laid in hand made lace, bride's chosen colors of blue, yellow and white. Mrs. D. O. Sauls conducted the guests into the registry room, where Mrs. Vera Nobles presided at the bride's book.

Goodbyes were said by Mrs. O. D. Rowland and Mrs. J. D. Taylor of Fort Worth.

The hostesses presented the bride-elect with a lovely silver tray.

Hitson Baptist Church Enjoys Social Friday

Members of the Hitson Baptist Church enjoyed their monthly social Friday with 42 present.

It was in the form of a song service. Two duets were sung by Mrs. A. C. Carnes and Wanda Hill and Mr. and Mrs. Ira Butler Jr. Each young person led a song.

Watermelon and soda pop were served for refreshments.

The next social will be August 15 and everyone is invited to attend.

The revival will begin at the Hitson Baptist Church August 22 with Rev. Fate Redden doing the preaching.

The BTU held their study course last Sunday with 40 taking the course and passing. Teachers were Mrs. Fate Redden, Billy Smith, Gill Sears and Delma Rhoton.

Several men and boys attended the encampment at Leuders Wednesday, July 23. Those going were Morris Jean and sons, and Robert Rhoton and son. Those attending only the night service Wednesday were R. J. Cox, A. C. Carnes, Ira Butler Jr., Hubert Guy, Edwin Hill and Carl Hill. They plan to attend next year.

Wings Over Hamlin

(Editor's Note—This column of news and comments concerning activities at the Hamlin Municipal Airport will appear in The Herald from time to time.)

Hamlin people who haven't been out to the airport recently would be surprised at the activity out there. Planes are busy most of the time carrying students and many still like to take a sight-seeing hop. Manager, J. R. Elliott, who gives and takes a lot of good-natured kidding, is a busy man.

Manager Elliott went down for the count Monday with a slight attack of pneumonia. He was on the job

all day Sunday and made a good start early Monday, but after complaining of being ill he was taken to a Rotan hospital and doctors said it was in one lung. He will be there several days and would probably appreciate a card.

Speaking of Rotan, the Fisher County town had a little excitement a few days ago when James Norwood of Rotan, on a cross-country hop from the local field stayed out a bit too late. Night overtook him there and while attempting to land by carlight overshot the strip and slightly damaged the Cessna he was piloting.

Another freak accident out at the field wasn't so funny either. Jess Kelly was preparing to go aloft to get in a little flying time and had J. C. Riddle as his guest. Kelly started to crank up and told Riddle what to do with the throttle. Riddle got the wrong gadget and with the throttle open pulled the stick and

the plane went over on its nose. Result: A badly damaged prop and a hole in the ground.

Private licenses have recently been received by five local men. Proud possessors of the new tickets are Travis Smith, W. C. (Dub) Tidwell, Jess Kelly, J. W. Burgess and J. W. Riddle. Several more are ready for check rides for their privates.

Soloing in recent day were James Cobb and Felix Flippo of Rotan and R. Nieves of Hamlin. Needless to say their shirt-tails were neatly cut off to make the event complete.

Transit aircraft visit the field frequently, gas up and proceed to their destination. Sunday a pretty red Cessna four-place plane from Wichita Falls came in. The two-engine job attracted considerable attention.

A week ago the field was visited by a silent ship. One of the gliders participating in the soaring meet at Wichita Falls landed here after flying from Wichita in five hours and 20 minutes. Highest altitude reached during the flight was 10,000 feet.

See you later and remember to strap in up and fly right.

Jimmy Spencer spent last week at Anson with his cousin, Gilford Pittman.

Joe Culbertson County Chairman Admendment Drive

Joe Culbertson, well-known Hamlin farmer, has been named chairman for Jones County in the campaign urging adoption of the College Building Constitutional Amendment which comes before the voters of Texas on August 23, it has been announced by Dudley K. Woodward Jr., member of the Board of Regents of the University of Texas and also the chairman of the State Committee pushing the adoption of the amendment.

Members of the committee, including many prominent Texans, state that Texas will be provided with the increasing taxes, if voters ratify the measure. Funds would provide all finest system of state-operated colleges in the nation, and this without state schools to begin work immediately on a long-range development program to relieve over-crowded conditions.

The amendment would assign to the building fund a five cent portion of the presently constitutionally authorized seven cent per \$100 valuation property tax for Confederate pension purposes; and would reduce the maximum property tax for the state general fund from 35 to 30 cents. This action would have no actual effect on the Confederate fund, since only two cents per \$100 valuation has been levied for several years and the fund now has a surplus. The automatic tax board recently announced that collection of the full 35 cents for the general fund is authorized for next year.

If the amendment passes, this levy will be reduced five cents, thus keeping taxes at the same overall level, proponents explained.

The amendment is endorsed by Governor Beauford Jester and by a number of state-wide organizations including the Texas League of Women Voters.

Fisher County Fair Set at Roby On Oct. 30-31, Nov. 1

Fisher County Fair, long an annual affair at Roby, has been set for October 30 and 31 and November 1, it was revealed by Max D. Carriger, president, this week. The recently created Fair association has applied to the secretary of state for a state charter, it was said.

The fair association's constitution and by-laws were recently approved by the board of directors and will be presented at the next group meeting of the association members for adoption.

Rep. Burleson On Printing Committee

Congressman Omar Burleson of Anson was named a member of the joint Congressional committee on printing during the closing days of the session in Washington. The Jones County man succeeds Representative Tom Pickett of Palestine.

Additional Per Capita School Aid May Reach \$6.

With over 3,000 scholastics enumerated in Jones County to date for the current year, Everett Beaver, county superintendent, says every school district is vitally interested in probability an additional \$6 per capita apportionment of state aid may be made.

If the State Department of Education makes the \$6 per capita additional payment, it will raise the allotment to a record high of \$41.

On the basis of 2,228 scholastics, this would mean \$13,368 to Scurry County schools.

A release Tuesday from Austin reveals that more than \$4,000,000 already has been accumulated in the available school fund since payment of the \$35 per capita apportionment set for this school year.

Good news for all school districts of the state is contained in announcement that the State Department of Education is slated to perform a ministerial action and set the apportionment for next year at \$55.

**BOYCE HOUSE—
"Gives You Texas"**

Did you ever wonder whether the newspaper reporters lead as interesting and as exciting lives as you—

ve heard they do? Well, I was included to doubt it but I've just finished reading the proofs of a book which will be off the press most any time now and after reading the book, which is entitled "Cub Reporter," I am inclined to believe that the newspaper folks do have experiences as varied and thrilling as the novels

and movies proclaim.

"Cub Reporter" is not fiction, but tells about some of the events that a police reporter on a "city daily" covered as a part of his daily work. The author, who was then just out of high school (this was back in 1916 and 1917) tells about Revinsky, the "one-thumb slayer" and "scar-faced killer," as he was known. Revinsky, convicted of murder, escaped and, as a posse unwittingly approached his hiding place he drew a bead on the cub reporter but was dissuaded from shooting by a companion.

Then there was Wild Dan, who killed six people at one time. Wild Dan threatened to kill the cub reporter and, 10 minutes later, Wild Dan was dead. Of course that's not the whole story.

And the book tells of the man who arose from the dead; of grizzled police officers and the tales they told around headquarters at midnight when things were quiet and there are word pictures of old time reporters, a colorful crew and of Bud the bloodhound officer; C. J. J. Mooney, a great editor, and the climax is the story of Frank the lovable little office boy.

"Cub Reporter" was written by—let me see, what was that fellow's name? Oh, yes, I remember now. "Cub Reporter" was written by Boyce House.

Club Boys Win
Prizes at Camp**

Jones County 4-H Club boys came back with their share of prizes from the District Seven 4-H Club Camp held at the Lake Brownwood State Park last week, according to Bill Lahmberg, assistant county agent.

For the consecutive year, a Jones County boy has won first place in the rifle contest. Mack Allison of the Avoca 4-H Club won first place with a score of 212 and the 22 caliber rifle which is the first prize.

The Jones County Rifle Team, composed of Mack Allison, Willie Lee Spurgeon of the Noodle 4-H Club and Gerald Miles of the Delk 4-H Club won third place.

Willie Lee Spurgeon and Simmie Allred won first place in the demonstration contest with their demonstration on chemical seed treatment.

The Anson School Board furnished a bus for the boys' transportation.

H. C. Stanley, Jones County Agent, Robert King, Garland Powers, junior assistant agent and Lehmberg accompanied the boys.

**Over 3,000 Attend
PCA Meeting Held
Stamford Friday**

An attendance record was set by members of the Stamford Production Credit Association at their annual meeting, held at the Cowboy Reunion Grounds in Stamford, Friday. A total of 3,163 people were in attendance.

A program, featuring J. W. Dalton, amateur magician from Paducah, was presented for the entertainment of the crowd during the morning hour. At noon the members and their guests were served an old fashioned chuck wagon dinner.

The business session of the meeting was called to order at 1:00 p. m. by J. F. McCulloch, vice-president of the association.

Director J. Spurgeon Reeves of Hawley, gave the report of the Board of Directors, summing up the activities of the directors and officers for the past year.

J. L. Hill Jr., secretary-treasurer, gave a brief report on the program of the association.

J. B. Pumphrey, Old Glory, was reelected director for a term of three years.

L. Roy Prescott, treasurer of the Production Credit Corporation at Houston, addressed the meeting along the lines of cooperative credit, using as his subject, "There is a Great Day Coming."

The matched calf roping contest between Fred Albright of Knox City and Sammy Baugh of Aspermont was won by Albright with a total time of 154 seconds for eight calves. Sammy Baugh's time was 155 1-5 seconds.

At the organizational board meeting held following the annual meeting C. G. Burson of Haskell, was elected president of the board; J. F. McCulloch, of Stamford, vice-president; J. L. Hill Jr., secretary-treasurer; Paul L. Summers, assistant secretary and J. R. Gleaton, assistant treasurer.

Miss Dora Crawford of Fort Worth spent from Friday to Wednesday last week with her brother, Rev. and Mrs. J. T. Crawford.

Miss Mae James has returned home after spending three weeks in Belton and Temple.

Miss Dorothy Louise Sneed of Coleman is spending this week with Miss Anne Gemell Crawford.

HELP BUILD

AMERICA'S AIR POWER

on AIR FORCE DAY, AUGUST 1ST

No one today questions the fact that the whole future of the United States may rest in the very clouds over your head. And the new, reorganized Air Forces give thousands of eligible young men an opportunity to take an active part in building America's air power . . . on the ground as well as in the sky.

You may, for example, enlist in the Air Forces for three years. If you have a specialty which will qualify you, you may also be able to enlist in a grade at higher pay.

If you have had Air Forces experience, you may join the Air Reserve and continue your military aviation training outside of business hours.

Or, you may join the Air National Guard and perhaps become eligible for advanced technical training at special Air National Guard schools.

On Air Force Day, make a point of finding out everything about your Air Forces—especially the new Aviation Career Plan described below. Full details can be obtained at your U. S. Army Recruiting Station.

**NOW—THE WORLD'S GREATEST OPPORTUNITY
FOR A CAREER IN AVIATION**

Today the Army Air Forces offer high school graduates an unprecedented opportunity to get the finest aviation schooling on earth—and select your school or course before you enlist.

The AAF Career Plan is unlike anything ever offered before. It permits selected high school graduates to apply and qualify for AAF specialized courses of their own choice. Simply go to your U. S. Army Recruiting Station, advise the Recruiting Officer the kind of aviation training you want and he will provide you with an application blank and a complete list of available courses.

When you are selected to attend the course of your choice, you enlist in the Army Air Forces for 3, 4 or 5 years. After your basic training period you are guaranteed the education you have selected to make you a specialist in the type of work you want.

Get a list of all the schools and courses open to you under the AAF Aviation Career Plan at your U. S. Army Recruiting Station.

POT-SHOTS FROM McCAULLEY

By GEORGE DARDEN

E. C. Waldrop and son, Paul, visited at Wichita Falls last Sunday. They made the trip in their Piper Cub plane.

Thanks to Reed Young of Cisco for a three year subscription to The Herald. Other subscriptions received this week were for Rev. C. E. Dick, J. T. Rhoten, W. B. Mayo and O. C. Prather all renewals.

J. I. Parker from Fort Worth visited his sons and family at Hamlin and McCaulley for a few days last week.

Levi McCollum hands us his check for \$5 to be applied on the McCaulley Cemetery fund and he says when we need more to whistle.

On July 22 and 23 Mr. and Mrs. Louis Bailey and son, A. H. Smith and family, O. R. Lee and family, Annie Gallaway, Mr. and Mrs. Jackson of Hamlin, Mr. and Mrs. W. C. Lee and soldier son, Bud, L. D. Crumpler and wife, Mr. and Mrs. Arthur Crumpler, Mr. and Mrs. Dan Crumpler of Anson spent two days at Fort Phantom Lake. A fine time was reported.

Mrs. Arthur Turner and son, Raymond, from Post spent last weekend in the home of Mr. and Mrs. W. C. Lee.

Three hundred and sixty-five thousand acres of cotton is planted in Texas this year. Maybe overalls will get cheaper.

Mr. and Mrs. L. H. Boyd visited his sister and family Mr. and Mrs. George Hurrell in Anson on Wednesday of last week.

Mrs. George Darden wishes to express her appreciation for the sunshine box of lovely gifts sent to her by the ladies of McCaulley and of Hamlin while in a hospital in Rotan. It's great to have friends.

Patsy Maberry and Bonnie Beth Jones spent last week-end with Mary Ann McCollum at McMurry College in Abilene.

Mr. and Mrs. F. L. Rector are visiting this week in Lubbock with her brother and family, Mr. and Mrs. Tate.

Mrs. L. D. Johnson, 1509 West Page, Dallas, sends in her check for The Herald and also another \$5 check for the Cemetery Fund. Thanks. Mrs. Johnson is the former Evelyn Pancher of this community. J. W. (Bynum) Maberry hands the scribe a check for a renewal to The Herald for two years.

Melvin renews up for another year, too.

Mrs. A. M. (Buddy) Eivens underwent major surgery in a Abilene hospital last week.

Mrs. Ted Abbott is home and doing fine after 40 days in a Stamford hospital. She underwent 15 blood transfusions and a major operation.

Last Saturday afternoon the scribe ran into L. R. Faulkenberry and A. A. Callaway on the street of Hamlin and they handed the Pot-Shot man two \$5 dollar bills to be applied on the McCaulley Cemetery Fund.

A fellow in Hamlin asked us Saturday when we were going to start pouring it on again with our comments on topics of the day. Said that's what I like about your column. Now start popping off any minute now, neighbor.

The Baptist meeting begins next Sunday with W. Y. Pond state board evangelist doing the preaching. Personally we wanted same to be held under the tabernacle but somebody thought otherwise. So get your fans ready.

We understand that the Methodist meeting will be held under the tabernacle some time this month. A very wise idea.

Vernon Darden, grocery merchant of Girard, visited with Bud and family in McCaulley last Friday.

The Baptist meeting at Royston began last Friday night and will last two weeks.

S. E. Miers, Howard and Billie of week-end with Mr. and Mrs. Ellis McCaulley and Lamesa visited last Eivens and family in Fort Worth.

Mr. and Mrs. Luther Maberry are going to begin soon rebuilding their home. It will be a rock home after completion.

A nice letter comes from Mrs. Paul Beavers of Marshall, Oklahoma, and she says they enjoy the Pot-Shots more every week. Mr. and Mrs. Beavers operate the only cafe in Marshall and business is excellent in the Oklahoma town so states Mrs. Beavers.

Saw our good friend Bowen Pope with a bunch of men cornered off in Hamlin last Saturday. From the way he was waving his hands and making all kinds of gestures—we figure he was either talking hospital or was it politics?

D. M. White, fast talking real estate dealer of Hamlin, was all smiles Saturday. He had just sold a house and was on a hot trail of another prospect.

About the busiest man in McCaulley is Levi McCollum the insurance man. If you are not insurance minded, you will be after a talk with Levi. One of the most pleasant men we have met lately is Clyde Angel, cashier of the F. & M. Bank of Hamlin. A pat on the back and a smile for everybody doesn't hurt a thing.

Being a close observer, we never fail to watch folks even though it may be out of the corner of one eye. We gotta' notion that Miss Linnie

Greenway handles more "lettuce" meaning of course good old American dollars in less time than most folks could count out in a year or so. Very efficient too.

Most of the time we are thinking up something to take a Pot-Shot at somebody, but it seems this week we gotta' heart of love for most everybody, that is our neighbors and our friends, however maybe next week we will be on some politician with all four feet and gobs of printer's ink.

We have never seen a happier "papa" than Starr Inzer. And Starr has a right to be proud. The other day, a hot afternoon, we met Starr on the street in Hamlin. He was sweating like a "nigger" on election day. In his arms was little Jimmy in his three-cornered pants, all smiles, and happy to be out with "pop."

As a rule, when folks think of adopting a baby, they think of one who is in perfect health and with no defects. Such was not the case with Mr. and Mrs. Inzer. They wanted Jimmy for what they could and would do for him. And beyond a reasonable doubt, little Jimmy will get every care from a human standpoint. Mr. and Mrs. Inzer are to be commended and we know that little Jim boy will always be a happy little fellow and love his mom and pop. Yes, Jimmy is a fine little man with big blue eyes and a blonde and "has a smile for everyone. No wonder "pa" Inzer is a proud papa. Yep, we are still of the opinion that flowers should go to the living and that's our

In McCaulley Meet

Dr. W. Y. Pond, above, Baptist State Evangelist, will preach in a revival beginning Sunday at the McCaulley Baptist Church. Stanley Jackson will direct the singing. Services will be conducted each evening at 8:00 o'clock p. m. The meeting will continue through August 17.

reason for complimenting Mr. and Mrs. Inzer for their love and kindness for a little fellow who won't forget when he grows to be a man.—A Darden-O-Gram.

BOOKS! Books! Books! up to \$3. values, "Dollar Day Specials" at The Book Shop, Saturday.

Ex-Engineer Will Lead In Revival at McCaulley Baptist

Dr. W. Y. Pond is slated to do the preaching in a revival meeting begin next Sunday, August 4, at the McCaulley Baptist Church, according to an announcement by the pastor. Rev. C. E. Dick, Stanley Jackson will be in charge of the music. Both men held a meeting there a ago.

The series of services will continue through August 17 and will be held at 8:00 o'clock p. m. each evening.

Dr. Pond was a railroad engineer before he entered the ministry. He often preaches what he calls his railroad sermon in which he illustrates Bible points by experiences as a railroad.

"As pastor, Dr. Pond has served some of the best churches in the state," Rev. Dick states, "but practically all of his years as a preacher he has given himself to the field of evangelism. He is serving under the state evangelistic board, having been elected by Texas Baptists as one of their evangelists."

Mr. and Mrs. W. D. Bunting and children, Tommie Catherine and Billy David of Brian and Mrs. Lott Shell, Sr. of Georgetown spent from Saturday until Tuesday here with Mr. and Mrs. Lott and Mr. and Mrs. Joe Simpson.

Baptist Pastor Announces Topic For Next Sunday

Rev. Bill Cravens of the First Baptist Church has announced that he will speak on the subject, "The World's Best Seller" at the 11:00 a. m. hour.

The new air conditioners make the auditorium and most of the class rooms very cool and comfortable. Two conditioners with 10,000 units each have been installed and another similar one is being installed.

Lester Morton will sing a special number at the morning service.

BTU begins at 7:00 p. m., preaching at 8:00 p. m. and a sing-spration in the basement immediately following their regular service.

Former Resident Dies In Tyler

Hamlin friends of Richard C. Poore, former local barber, were advised this week of his death at Tyler on Thursday, July 17. He had resided there for the past three years, after having resided for many years in Hamlin. Poore was 65 and had been in bad health for some time. He was a member of the First Baptist Church here and of Hamlin Masonic Lodge.

Funeral services were conducted at a Tyler funeral home on July 18 by Rev. Milton Gregory of the Central Baptist Church of that city. Interment was in the Flint Cemetery at Tyler.

Mrs. N. D. Miers and children of Rotan spent Tuesday with her parents, Mr. and Mrs. C. P. Yates. Betty Blanche remained to spend several days with her grandparents.

Misses Annie and Alice Yates of Dallas arrived Wednesday to spend several weeks with her brother, Mr. and Mrs. C. P. Yates.

Rockwell Bros. & Co.**SHERWIN-WILLIAMS PAINTS****Cattle, Sheep and Cotton Have Losses, Dull Demand for Some Farm Products**

Cattle, sheep and cotton netted sharp losses last week, and some of the southwest farm products found rather dull demand, according to the latest report sent The Herald by the Production and Marketing Administration, United States Department of Agriculture.

Large world requirements strengthened wheat last week, while cool weather unfavorable for corn tended to offset July estimates of increased production. Wheat netted a very slight advance, and white corn gained a cent or two. Oats held firm, influenced by scarcity of good grain from the new crop. Ginnings from the current harvest of barley and of grain sorghums held prices relatively unchanged.

Practically all feeds advanced \$2 to \$10 per ton, and good quality hay held up fairly well.

Late week cotton losses liquidated early gains, and spot prices closed mostly at \$1 to \$7 lower. Current ginnings in South Texas sold freely in good demand. Quality held up well at mostly strict middling grade.

Good quality candied eggs held at fairly firm last week, but the lower grades and current receipts met dull demand, and some markets quoted lower prices. Fryers and broilers continue in good demand. Liberal supplies of hens moved slowly, and some went into storage. Prices dropped at Denver early and at Dallas later in the week.

After showing strength on some classes early last week, cattle eased later to close mostly steady to 50 cents or more lower on most classes. Common to medium steers and yearlings sold from \$14 to \$20 at Houston; while medium kinds brought \$18 to \$23 at Fort Worth, and medium to good light lots \$21 to \$25 at Wichita. San Antonio bought medium grass steers at \$19 to \$23, and Oklahoma City paid \$17 to \$23 for common to medium grades. Denver took common to medium steers 50 cents to \$2 per hundred pounds at \$16 to \$19.

Hogs scored general advances of most southwest markets. Good and choice weight butcher hogs reached \$26.25 at San Antonio; \$27 at Fort Worth. Sows ranged from \$20 to \$23; Worthy; \$27.75 at Oklahoma City; \$27.50 at Wichita; and \$29.25 at Denver and pigs from \$23 to \$27 or more.

Southwest sheep and lambs closed last week barely steady to \$1 or more lower, except at Denver where late declines largely erased early-week gains. Medium and good spring lambs sold for \$17.50 to \$21.25 at San Antonio, and \$19 to \$21 at Fort Worth. Good and choice kinds brought around \$23 at Wichita and \$26 at Denver.

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

Modern Cleaners**Large Reunion Held at Cisco Park Sunday**

"Old Timers" in and around Cisco were unduly alarmed last Sunday when a group of about 80 people "swarmed" down upon their park for a reunion. They said nothing like it had happened to Cisco since the big cyclone years ago. But the group was harmless—just there for a day of fun.

Those attending the reunion were: Mr. and Mrs. W. P. Westmoreland and son, A. V., Mr. and Mrs. J. P. Westmoreland and sons, Bobby, Gene and Teddy, all of Neinda; Mr. and Mrs. Roy Brown and son, Vance, Mr. and Mrs. Richard Dutton and daughter, Janie, all of Hamlin; Mr. and Mrs. D. F. Andrus, Mr. and Mrs. J. H. Andrus and children, Edward, Lois and Jois, of Anson; Roy Andrus and daughter, Jana of Sweetwater, Dr. and Mrs. Allen Andrus of Dallas, Mr. and Mrs. J. M. Westmoreland and grandson, Bobby Standridge, Mr. and Mrs. Charles Stacey Jr. and son, Vicky Don, Mr. and Mrs. Aubrey Westmoreland and daughters, Gracie Sue, Jeaney and Rebecca, Mr. and Mrs. Dick Gowan, Mr. and Mrs. Floyd Gowan, Mr. and Mrs. Gene Pullin and son, Larry, Mr. and Mrs. Alton Shipman, and Joyce, Mr. and Mrs. Orville Bateman and sons, Gaylord and Rayford, Mr. and Mrs. Lewis Andrus, Mr. and Mrs. G. H. Parker, all of Gorman; Mr. and Mrs. Cecil Thompson and son, Richard Delbert of Levelland; Mr. and Mrs. Parks Cates and Mr. and Mrs. B. H. Greer of Breckenridge; Mr. and Mrs. Guillette of Eastland; Donna Lois Russell of Oklahoma City; Mr. and Mrs. Ballew and son, James, Mr. and Mrs. J. A. Law, Alma Rae Law, Mrs. John Drake, Bobby Ray Russell, Mrs. J. A. Bowman, all of Albany.

Mr. and Mrs. P. C. Gilmore, Mrs. Gae Gilmore and daughters, Sharon Dawn and Karon Rose of Baird; Barbara Joy Gilmore of Snyder and Bentley and Mackel Standridge of Lometa.

A wonderful day was enjoyed with many swimming in the nice pool, some roller skating and the "old folks" just sitting around talking, laughing and reminiscing about the "good ole days."

A delicious picnic lunch was served with plenty of food left.

Several close relatives could not be present because of various reasons.

"There were some faces missing who will not be with us again until we have that great reunion in Heaven. There is always a note of sadness mingled with the joys of life."

"There were those present who served in our armed forces, some who served long hard months overseas, one who will carry the scars of battle all the rest of his life. They served, they fought! That all Americans might hold family reunions and enjoy our American way of life."

We have heard many excuses for not answering letters promptly but a friend in Fort Worth gives the best one yet. "After paying our income tax, we are just now getting able to include stamps in our budget, therefore I shall drop a line to you."

Tip your hat to Coach L. B. (Red) Howard and his Pied Pipers for winning the District 13-A championship last Friday at Merkel by defeating Trent 6 to 3. A mighty fine job, we would say.

If you haven't paid a visit to Ham-

lin's Memorial Hospital recently, you should take time out to look it over. Rapid progress is being made and you will feel proud if you have had a part in financing such a splendid building for suffering humanity in memory of those who died on the battle fields.

Farmers seem to be well pleased with the good prospects for grain and cotton crops. It seems to be the general opinion that a nice rain would be beneficial at this time. We might try one of those dances that the Arizona Indians enact when they desire rain. They are accusing the white folks of getting their rain clouds anyhow. The whites have taken almost everything else the Indian possessed but we are inclined to believe they are falsely accusing us now. Not that we wouldn't try it if we had any faith in such ceremonies.

We hear that we insulted Tom Routh with the item in our paper

stating that he and Mrs. Routh and Dorothy Fern had gone to Georgia, their home state, for a visit. He flatly denies that he ever lived in Georgia and can boast that he has never lived outside of Jones County. He is a true Texan alright—you can quickly be convinced of that fact from the tone of his bragging.

Advertisers, have we ever told you just how much we appreciate your cooperation in getting your ad copy into our office early in the week? No one outside the newspaper circle can understand just how important this is to the entire staff. If the ads are ready early it means long hard hours of work on Thursday nights can be avoided. Hamlin merchants are especially thoughtful in this matter, and we do want to say, "Thank you."

If you hold your nose tightly, the Hamlin water doesn't taste so "musky". Try it.

About the busiest people in Ham-

lin for the past week have been the W. L. Boyds Sr. who have been keeping their three active grandsons, while the W. L. Boyds Jr. are on their vacation.

My husband says one advantage of having a wife that works downtown is that you don't have to kiss her goodbye twice daily.

President Truman showed the greatest respect to his mother by asking that no pictures be taken at the funeral service or burial. He knew that would have been her wish since she disliked "fuss and feathers."

All America sympathizes with the President in his great loss, but somehow our compassion is more deep for his sister, Mary Jane, who has so tenderly cared for her mother all these years.

Do you enjoy your work? If you don't and take no pride in what ever you do, whether it is mowing a lawn,

making a dress, washing a car, or any profession, then you are in a rut and should strive to get out. It is very easy to ease down into a rut but awfully hard to struggle out, and the longer you remain there, the deeper you will sink. It makes little difference what type of work you do as long as you enjoy it and do it in the best manner that you are capable of doing. That reminds me of the story of the brick masons, when asked what they were doing, the first one replied, "I am laying brick" the second one said, "I am making \$9 a day", but the third spoke enthusiastically, "I am building a Cathedral." Any job can take on significance if it is yours by choice and not just a means of making a living.

Farmers Urged To Eye Future in Conservative Way

Some of the experts are advising farmers of Jones, Fisher, Kent and nearby counties to regard the immediate future very conservatively.

Position a farmer can take, they declare, is to assume this period of good crops, advancing prices and large profits is about at an end; that a recession is coming and make adjustments accordingly.

Dean William I. Myers and Professor Frank A. Pearson of the College of Agriculture at Cornell University, Ithaca, New York, recommend that farmers begin to "tighten up" their belts now to avoid greater disappointments later.

Although a farmer in Jones or Fisher County can't shut up shop and throw himself out of work, Dean Myers and Professor Pearson suggest that certain things can be done to prevent a large drop in income.

"Each farmer of Jones County, for instance, should maintain production while increasing his efficiency and reducing cash costs. This calls for more potatoes per acre, more milk per cow, more eggs per hen and more farm products with less labor.

"When farm prices decline, labor becomes more important as a farm cost. This is a poor time to depend on inefficient hired labor.

"Farmers would do well to leave poorer marginal land in hay or pasture or leave it idle and reduce the production of low paying crops.

"Fertilizers should be used freely as long as they are cheap in terms of farm products—as is now the case. If prices fall too much relative to fertilizer and farm labor, farmers may have to mine the soil for a year or two," the experts conclude.

Wears a Fellow Out, Too.

The great trouble with the school of experience is that the course is so long that the graduates are too old to go to work.—Henry Ford.

News Briefs from Haskell County

Two fires in Haskell caused heavy damage, Holden Funeral Home being badly damaged Monday and a service station and repair shop on Tuesday. . . . Recent business changes in Haskell have included the combining of two furniture stores and of two jewelry stores. . . . A special election will be held in Haskell County precincts one, two and four to determine if the taxpayers favor a special levy of not to exceed 15 cents for road maintenance purposes. . . . Stegemoeller Drug Store in Sagerston was burglarized one night last week, but only a small amount of loot was taken. . . . Catalog for the

Exciting ways to use mayonnaise

by Carol Drake

Work magic for salads with that crystal ball on the kitchen shelf, the jar of mayonnaise. FOR ROQUEFORT MAYONNAISE, blend equal parts roquefort or blue cheese spread, mayonnaise and top milk. Serve with pineapple-banana-orange salad; perch sprig of mint atop.

... MAYONNAISE BEATEN WITH EQUAL AMOUNTS OF THICK CRANBERRY SAUCE AND WHIPPED CREAM is pink and enticing as lemonade at the circus. Team up with citrus salad.

... GUACAMOLE, OR AVOCADONAISE. Mash avocado, season with lemon and onion juices; mix with mayonnaise. Serve with fruit or vegetable salad; add bacon bits if it's going in a sandwich; thin out for dunking potato chips or seafood by increasing mayonnaise.

... MAKE A KING OF CABBAGE SLAW. Mix mayonnaise with twice as much buttermilk; season with lemon juice, salt, pepper and paprika. Add cabbage, chopped unpeeled apple and peanuts. Slick Trick: Grate cabbage and mix with dressing in large wooden bowl; serve in same.

... THOUSAND ISLAND DRESSING goes well with the honeymoon salad, "Lettuce alone." To 1 cup mayonnaise add 2 tablespoons each green pepper, pimiento and chili sauce; 1 teaspoon each onion juice, Worcestershire sauce and catsup, and 1 chopped hard-cooked egg.

... TARTAR SAUCE flatters fish flavor. A sharp one has chopped green olives, parsley, sour pickles and onion or lemon juice with the mayonnaise.

... HORSE RADISH MAYONNAISE—now only enough to taste the radish!—with chopped pickled beets is a good garnish for cold lamb or ham, and cheese on rye.

P. S. TO WATER PLANTS WHEN AWAY FROM HOME, extend a wick, heavy yarn, or a strip of cheesecloth from deep within a water-filled mayonnaise jar to the plant. Unravel one end of wick and spread in pot just beneath top soil. Enough water will seep through wick to keep plant moist for 2 or 3 weeks.

On Tuesday evening Miss Louise Daniel, bride-elect of Roy "Buddy" Page, was honored at a tea in the home of Mrs. J. W. McCrary with the following hostesses, Mes. M. T. York, O. D. Rowland, Albert Chandler and Miss Eleanor Temple.

Garden flowers were used to decorate the reception rooms. Mrs. McCrary greeted guests at the door, presenting them to Mrs. A. G. Daniel, mother of the bride-elect, who presented here daughter. Others receiving were Mrs. George W. Page and Mrs. Orville Brunsch, of Abilene, mother and sister of the groom-to-be.

Mrs. Albert Chandler directed the guests into the dining room. Miss Eleanor Temple ladled punch, assisted by Mrs. M. T. York. The tea table was laid in hand made lace, bride's chosen colors of blue, yellow and white. Mrs. D. O. Sauls conducted the guests into the registry room, where Mrs. Vera Nobles presided at the bride's book.

Goodbyes were said by Mrs. O. D. Rowland and Mrs. J. D. Taylor of Fort Worth.

The hostesses presented the bride-elect with a lovely silver tray.

Hitson Baptist Church Enjoys Social Friday

Members of the Hitson Baptist Church enjoyed their monthly social Friday with 42 present.

It was in the form of a song service. Two duets were sung by Mrs. A. C. Carnes and Wanda Hill and Mr. and Mrs. Ira Butler Jr. Each young person led a song.

Watermelon and soda pop were served for refreshments.

The next social will be August 15 and everyone is invited to attend.

The revival will begin at the Hitson Baptist Church August 22 with Rev. Fate Redden doing the preaching.

The BTU held their study course last Sunday with 40 taking the course and passing. Teachers were Mrs. Fate Redden, Billy Smith, Gill Sears and Delma Rhoton.

Several men and boys attended the encampment at Leuders Wednesday, July 23. Those going were Morris Jean and sons, and Robert Rhoton and son. Those attending only the night service Wednesday were R. J. Cox, A. C. Carnes, Ira Butler Jr., Hubert Guy, Edwin Hill and Carl Hill. They plan to attend next year.

Wings Over Hamlin

(Editor's Note—This column of news and comments concerning activities at the Hamlin Municipal Airport will appear in The Herald from time to time.)

Hamlin people who haven't been out to the airport recently would be surprised at the activity out there. Planes are busy most of the time carrying students and many still like to take a sight-seeing hop. Manager, J. R. Elliott, who gives and takes a lot of good-natured kidding, is a busy man.

Manager Elliott went down for the count Monday with a slight attack of pneumonia. He was on the job

all day Sunday and made a good start early Monday, but after complaining of being ill he was taken to a Rotan hospital and doctors said it was in one lung. He will be there several days and would probably appreciate a card.

Speaking of Rotan, the Fisher County town had a little excitement a few days ago when James Norwood of Rotan, on a cross-country hop from the local field stayed out a bit too late. Night overtook him there and while attempting to land by carlight overshot the strip and slightly damaged the Cessna he was piloting.

Another freak accident out at the field wasn't so funny either. Jess Kelly was preparing to go aloft to get in a little flying time and had J. C. Riddle as his guest. Kelly started to crank up and told Riddle what to do with the throttle. Riddle got the wrong gadget and with the throttle open pulled the stick and

the plane went over on its nose. Result: A badly damaged prop and a hole in the ground.

Private licenses have recently been received by five local men. Proud possessors of the new tickets are Travis Smith, W. C. (Dub) Tidwell, Jess Kelly, J. W. Burgess and J. W. Riddle. Several more are ready for check rides for their privates.

Soloing in recent day were James Cobb and Felix Flippo of Rotan and R. Nieves of Hamlin. Needless to say their shirt-tails were neatly cut off to make the event complete.

Transit aircraft visit the field frequently, gas up and proceed to their destination. Sunday a pretty red Cessna four-place plane from Wichita Falls came in. The two-engine job attracted considerable attention.

A week ago the field was visited by a silent ship. One of the gliders participating in the soaring meet at Wichita Falls landed here after coming from Wichita in five hours and 20 minutes. Highest altitude reached during the flight was 10,000 feet.

See you later and remember—train up and fly right.

Jimmy Spencer spent last week at Anson with his cousin, Gilford Pittman.

Joe Culbertson County Chairman Admendment Drive

Joe Culbertson, well-known Hamlin farmer, has been named chairman for Jones County in the campaign urging adoption of the College Building Constitutional Amendment which comes before the voters of Texas on August 23, it has been announced by Dudley K. Woodward Jr., member of the Board of Regents of the University of Texas and also the chairman of the State Committee pushing the adoption of the amendment.

Members of the committee, including many prominent Texans, state that Texas will be provided with the increasing taxes, if voters ratify the measure. Funds would provide all finest system of state-operated colleges in the nation, and this without state schools to begin work immediately on a long-range development program to relieve over-crowded conditions.

The amendment would assign to the building fund a five cent portion of the presently constitutionally authorized seven cent per \$100 valuation property tax for Confederate pension purposes; and would reduce the maximum property tax for the state general fund from 35 to 30 cents. This action would have no actual effect on the Confederate fund, since only two cents per \$100 valuation has been levied for several years and the fund now has a surplus. The automatic tax board recently announced that collection of the full 35 cents for the general fund is authorized for next year.

If the amendment passes, this levy will be reduced five cents, thus keeping taxes at the same overall level, proponents explained.

The amendment is endorsed by Governor Beauford Jester and by a number of state-wide organizations including the Texas League of Women Voters.

Fisher County Fair Set at Roby On Oct. 30-31, Nov. 1

Fisher County Fair, long an annual affair at Roby, has been set for October 30 and 31 and November 1, it was revealed by Max D. Carrier, president, this week. The recently created Fair association has applied to the secretary of state for a state charter, it was said.

The fair association's constitution and by-laws were recently approved by the board of directors and will be presented at the next group meeting of the association members for adoption.

Additional Per Capita School Aid May Reach \$6.

With over 3,000 scholastics enumerated in Jones County to date for the current year, Everett Beaver, county superintendent, says every school district is vitally interested in probability an additional \$6 per capita apportionment of state aid may be made.

If the State Department of Education makes the \$6 per capita additional payment, it will raise the allotment to a record high of \$41. On the basis of 2,228 scholastics, this would mean \$13,368 to Scurry County schools.

A release Tuesday from Austin reveals that more than \$4,000,000 already has been accumulated in the available school fund since payment of the \$25 per capita apportionment set for this school year.

Good news for all school districts of the state is contained in announcement that the State Department of Education is slated to perform a ministerial action and set the apportionment for next year at \$55.

Blessed Events

Mr. and Mrs. Frank Joiner Jr. are the proud parents of a daughter, born Thursday, July 24 in a Fort Worth hospital. She has been named Hlenda Sue.

The Herald understands that board of education action on setting next term's apportionment at \$55 will be merely routine, since this amount has been specified by the Legislature. However, such per capita payment must be set previous to August 1.

Question of textbooks for Hamlin Schoole and all other schools of the state will also be before the State

Department of Education. It has until September, it is reported, to issue a proclamation calling for bids on contracts to be received not later than November 10.

**BOYCE HOUSE—
"Gives You Texas"**

Did you ever wonder whether the newspaper reporters lead as interesting and as exciting lives as you—

ve heard they do? Well, I was included to doubt it but I've just finished reading the proofs of a book which will be off the press most any time now and after reading the book, which is entitled "Cub Reporter," I am inclined to believe that the newspaper folks do have experiences as varied and thrilling as the novels

and movies proclaim.

"Cub Reporter" is not fiction, but tells about some of the events that a police reporter on a "city daily" covered as a part of his daily work. The author, who was then just out of high school (this was back in 1916 and 1917) tells about Revinsky, the "one-thumb slayer" and "scar-faced killer," as he was known. Revinsky, convicted of murder, escaped and, as a posse unwittingly approached his hiding place he drew a bead on the cub reporter but was dissuaded from shooting by a companion.

Then there was Wild Dan, who killed six people at one time. Wild Dan threatened to kill the cub reporter and, 10 minutes later, Wild Dan was dead. Of course that's not the whole story.

And the book tells of the man who arose from the dead; of grizzled police officers and the tales they told around headquarters at midnight when things were quiet and there are word pictures of old time reporters, a colorful crew and of Bud the bloodhound officer; C. J. J. Mooney, a great editor, and the climax is the story of Frank the lovable little office boy.

"Cub Reporter" was written by—let me see, what was that fellow's name? Oh, yes, I remember now. "Cub Reporter" was written by Boyce House.

**Over 3,000 Attend
PCA Meeting Held
Stamford Friday**

An attendance record was set by members of the Stamford Production Credit Association at their annual meeting, held at the Cowboy Reunion Grounds in Stamford, Friday. A total of 3,163 people were in attendance.

A program, featuring J. W. Dalton, amateur magician from Paducah, was presented for the entertainment of the crowd during the morning hour. At noon the members and their guests were served an old fashioned chuck wagon dinner.

The business session of the meeting was called to order at 1:00 p. m. by J. F. McCulloch, vice-president of the association.

Director J. Spurgeon Reeves of Hawley, gave the report of the Board of Directors, summing up the activities of the directors and officers for the past year.

J. L. Hill Jr., secretary-treasurer, gave a brief report on the program of the association.

J. B. Pumphrey, Old Glory, was reelected director for a term of three years.

L. Roy Prescott, treasurer of the Production Credit Corporation of Houston, addressed the meeting along the lines of cooperative credit, using as his subject, "There is a Great Day Coming."

The matched calf roping contest between Fred Albright of Knox City and Sammy Baugh of Aspermont was won by Albright with a total time of 154 seconds for eight calves. Sammy Baugh's time was 155 1-5 seconds.

At the organizational board meeting held following the annual meeting C. G. Burson of Haskell, was elected president of the board; J. F. McCulloch, of Stamford, vice-president; J. L. Hill Jr., secretary-treasurer; Paul L. Summers, assistant secretary and J. R. Gleaton, assistant treasurer.

HELP BUILD

AMERICA'S AIR POWER

on AIR FORCE DAY, AUGUST 1ST

No one today questions the fact that the whole future of the United States may rest in the very clouds over your head. And the new, reorganized Air Forces give thousands of eligible young men an opportunity to take an active part in building America's air power . . . on the ground as well as in the sky.

You may, for example, enlist in the Air Forces for three years. If you have a specialty which will qualify you, you may also be able to enlist in a grade at higher pay.

If you have had Air Forces experience, you may join the Air Reserve and continue your military aviation training outside of business hours.

Or, you may join the Air National Guard and perhaps become eligible for advanced technical training at special Air National Guard schools.

On Air Force Day, make a point of finding out everything about your Air Forces — especially the new Aviation Career Plan described below. Full details can be obtained at your U. S. Army Recruiting Station.

**NOW—THE WORLD'S GREATEST OPPORTUNITY
FOR A CAREER IN AVIATION**

Today the Army Air Forces offer high school graduates an unprecedented opportunity to get the finest aviation schooling on earth—and select your school or course before you enlist.

The AAF Career Plan is unlike anything ever offered before. It permits selected high school graduates to apply and qualify for AAF specialized courses of their own choice. Simply go to your U. S. Army Recruiting Station, advise the Recruiting Officer the kind of aviation training you want and he will provide you with an application blank and a complete list of available courses.

When you are selected to attend the course of your choice, you enlist in the Army Air Forces for 3, 4 or 5 years. After your basic training period you are guaranteed the education you have selected to make you a specialist in the type of work you want.

Get a list of all the schools and courses open to you under the AAF Aviation Career Plan at your U. S. Army Recruiting Station.

POT-SHOTS FROM McCAULLEY

By GEORGE DARDEN

E. C. Waldrop and son, Paul, visited at Wichita Falls last Sunday. They made the trip in their Piper Cub plane.

Thanks to Reed Young of Cisco for a three year subscription to The Herald. Other subscriptions received this week were for Rev. C. E. Dick, J. T. Rhoten, W. B. Mayo and O. C. Prather all renewals.

J. I. Parker from Fort Worth visited his son and family at Hamlin and McCaulley for a few days last week.

Levi McCollum hands us his check for \$5 to be applied on the McCaulley Cemetery fund and he says when we need more to whistle.

On July 22 and 23 Mr. and Mrs. Louis Bailey and son, A. H. Smith and family, O. R. Lee and family, Annie Gallaway, Mr. and Mrs. Jackson of Hamlin, Mr. and Mrs. W. C. Lee and soldier son, Bud, L. D. Crumpler and wife, Mr. and Mrs. Arthur Crumpler, Mr. and Mrs. Dan Crumpler of Anson spent two days at Fort Phantom Lake. A fine time was reported.

Mrs. Arthur Turner and son, Raymond, from Post spent last weekend in the home of Mr. and Mrs. W. C. Lee.

Three hundred and sixty-five thousand acres of cotton is planted in Texas this year. Maybe overalls will get cheaper.

Mr. and Mrs. L. H. Boyd visited his sister and family Mr. and Mrs. George Harrell in Anson on Wednesday of last week.

Mrs. George Darden wishes to express her appreciation for the sunshine box of lovely gifts sent to her by the ladies of McCaulley and of Hamlin while in a hospital in Rotan. It's great to have friends.

Patsy Maberry and Bonnie Beth Jones spent last week-end with Mary Ann McCollum at McMurry College in Abilene.

Mr. and Mrs. F. L. Rector are visiting this week in Lubbock with her brother and family, Mr. and Mrs. Tate.

Mrs. L. D. Johnson, 1509 West Page, Dallas, sends in her check for The Herald and also another \$5 check for the Cemetery Fund. Thanks. Mrs. Johnson is the former Evelyn Fancher of this community. J. W. (Bynum) Maberry hands the scribe a check for a renewal to The Herald for two years.

Melvin renews up for another year, too.

Mrs. A. M. (Buddy) Eivens underwent major surgery in a Abilene hospital last week.

Mrs. Ted Abbott is home and doing fine after 40 days in a Stamford hospital. She underwent 15 blood transfusions and a major operation.

Last Saturday afternoon the scribe ran into L. R. Faulkenberry and A. A. Callaway on the street of Hamlin and they handed the Pot-Shot man two \$5 dollar bills to be applied on the McCaulley Cemetery Fund.

A fellow in Hamlin asked us Saturday when we were going to start pouring it on again with our comments on topics of the day. Said that's what I like about your column. Might start popping off any minute now, neighbor.

The Baptist meeting tips next Sunday with W. Y. Pond state board evangelist doing the preaching. Personally we wanted same to be held under the tabernacle but somebody thought otherwise. So get your fans ready.

We understand that the Methodist meeting will be held under the tabernacle some time this month. A very wise idea.

Vernon Darden, grocery merchant of Girard, visited with Bud and family in McCaulley last Friday.

The Baptist meeting at Royston began last Friday night and will last two weeks.

S. E. Miers, Howard and Billie of week-end with Mr. and Mrs. Ellis McCaulley and Lamesa visited last Eivens and family in Fort Worth.

Mr. and Mrs. Luther Maberry are going to begin soon rebuilding their home. It will be a rock home after completion.

A nice letter comes from Mrs. Paul Beavers of Marshall, Oklahoma, and she says they enjoy the Pot-Shots more every week. Mr. and Mrs. Beavers operate the only cafe in Marshall and business is excellent in the Oklahoma town so states Mrs. Beavers.

Saw our good friend Bowen Pope with a bunch of men cornered off in Hamlin last Saturday. From the way he was waving his hands and making all kinds of gestures—we figure he was either talking hospital or was it politics?

D. M. White, fast talking real estate dealer of Hamlin, was all smiles Saturday. He had just sold a house and was on a hot trail of another prospect.

About the busiest man in McCaulley is Levi McCollum the insurance man. If you are not insurance minded, you will be after a talk with Levi. One of the most pleasant men we have met lately is Clyde Angel, cashier of the F. & M. Bank of Hamlin. A pat on the back and a smile for everybody doesn't hurt a thing.

Being a close observer, we never fail to watch folks even though it may be out of the corner of one eye. We gotta' notion that Miss Linnie

Greenway handles more "lettuce" meaning of course good old American dollars in less time than most folks could count out in a year or so. Very efficient too.

Most of the time we are thinking up something to take a Pot-Shot at somebody, but it seems this week we gotta' heart of love for most everybody, that is our neighbors and our friends, however maybe next week we will be on some politician with all four feet and gobs of printer's ink.

We have never seen a happier "papa" than Starr Inzer. And Starr has a right to be proud. The other day, a hot afternoon, we met Starr on the street in Hamlin. He was sweating like a "nigger" on election day. In his arms was little Jimmy in his three-cornered pants, all smiles, and happy to be out with "pop." As a rule, when folks think of adopting a baby, they think of one who is in perfect health and with no defects. Such was not the case with Mr. and Mrs. Inzer. They wanted Jimmy for what they could and would do for him. And beyond a reasonable doubt, little Jimmy will get every care from a human standpoint. Mr. and Mrs. Inzer are to be commended and we know that little Jim boy will always be a happy little fellow and love his mom and pop. Yes, Jimmy is a fine little man with big blue eyes and a blonde and has a smile for everyone. No wonder "pa" Inzer is a proud papa. Yep, we are still of the opinion that flowers should go to the living and that's our

In McCaulley Meet

Dr. W. Y. Pond, above, Baptist State Evangelist, will preach in a revival beginning Sunday at the McCaulley Baptist Church. Stanley Jackson will direct the singing. Services will be conducted each evening at 8:00 o'clock p. m. The meeting will continue through August 17.

reason for complimenting Mr. and Mrs. Inzer for their love and kindness for a little fellow who won't forget when he grows to be a man.—A Darden-O-Gram.

Ex-Engineer Will Lead In Revival at McCaulley Baptist

Dr. W. Y. Pond is slated to do the preaching in a revival meeting begin next Sunday, August 4, at the McCaulley Baptist Church, according to an announcement by the pastor, Rev. C. E. Dick. Stanley Jackson will be in charge of the music. Both men held a meeting there a ago.

The series of services will continue through August 17 and will be held at 8:00 o'clock p. m. each evening.

Dr. Pond was a railroad engineer before he entered the ministry. He often preaches what he calls his railroad sermon in which he illustrates Bible points by experiences as a rail-roader.

"As pastor, Dr. Pond has served some of the best churches in the state," Rev. Dick states, "but practically all of his years as a preacher he has given himself to the field of evangelism. He is serving under the state evangelistic board, having been elected by Texas Baptists as one of their evangelists."

Mr. and Mrs. W. D. Bunting and children, Tommie Catherine and Billy David of Brian and Mrs. Lott Shell, Sr. of Georgetown spent from Saturday until Tuesday here with Mr. and Mrs. Lott and Mr. and Mrs. Joe Simpson.

Baptist Pastor Announces Topic For Next Sunday

Rev. Bill Cravens of the First Baptist Church has announced that he will speak on the subject, "The World's Best Seller" at the 11:00 a. m. hour.

The new air conditioners make the auditorium and most of the class rooms very cool and comfortable. Two conditioners with 10,000 units each have been installed and another similar one is being installed.

Lester Morton will sing a special number at the morning service.

BTU begins at 7:00 p. m., preaching at 8:00 p. m. and a singspration in the basement immediately following their regular service.

Former Resident Dies In Tyler

Hamlin friends of Richard O. Poore, former local barber, were advised this week of his death at Tyler on Thursday, July 17. He had resided there for the past three years, after having resided for many years in Hamlin. Poore was 65 and had been in bad health for some time. He was a member of the First Baptist Church here and of Hamlin Masonic Lodge.

Funeral services were conducted at a Tyler funeral home on July 18 by Rev. Milton Gregory of the Central Baptist Church of that city. Interment was in the Flint Cemetery at Tyler.

Mrs. N. D. Miers and children of Rotan spent Tuesday with her parents, Mr. and Mrs. C. P. Yates. Betty Blanche remained to spend several days with her grandparents.

Misses Annie and Alice Yates of Dallas arrived Wednesday to spend several weeks with their brother, Mr. and Mrs. C. P. Yates.
